

To our valued customers,

We have been keeping up with Government updates on the progression of COVID-19. We are delighted to announce **we are now open for dining in**. We want you to feel safe and comfortable when dining at Ashutosh. We are following the strictest advice and procedures to ensure the highest standards and hygiene protocols are adhered to every day.

We are still available for catering orders and takeaways. We are continuing to accept orders on Deliveroo, Uber Eats and Just Eat with selected promotions available which also include non-contact delivery options. **Alternatively, we will also be available for collections.**

We thank you for being our customer and will continue to monitor the situation.
